TEMPORARY COVID-19 RULE MODIFICATIONS UPDATED May 27, 2021

Recognizing the improvements that have occurred regarding the COVID-19 Pandemic, HAI's Board of Directors would like to inform you of important changes to HAI's COVID-19 temporary rule changes, effective immediately, and until further notice:

- A mask will still be required for entry to the laundry room.
- Laundry Room Lights are to remain on (do not touch).
- The gym will remain closed until HAI has implemented a reopening plan. HAI anticipates the gym will reopen to residents who comply with a revised gym policy around July 1, 2021. This date is fluid and dependent, in part, on HAI contractors (keytag system install) and pandemic status.
- All other COVID-19 restrictions are hereby vacated.

While HAI does not desire to have to impose fines, should anyone violate any of the above, due to the seriousness of COVID-19, violators will be fined \$250 for a first violation of the above and may have his/her access to common areas restricted. Subsequent violations will be considered at at least double the previous fine amount.

Thank you for your immediate, prompt attention to these matters in order to stay well and keep everyone here at Hanover well.

TYLER DOUGLAS
JOHN W. TOMLINSON, ESQ.
NORMAN WALKER

2020-2021 BOARD OF DIRECTORS
